

### Daily Mile

Our children have been busy this term. Everyone has been running or walking around the playground for 10 minutes every day and trying to hit a whopping one mile! It is helping to keep us fit and healthy.

Dear Parents and Carers,

Thank you for your support. Have a lovely Easter.

Harewood Primary School Staff

### World Book Day

This year most of our children wore costumes based on a book character and lots of them chose Where's Wally! They did a fantastic mannequin challenge in the hall and managed to stay still for a very long time! We also did a Where's Wally hunt and everyone got a book token too.

### Y4 Hoopstarz!

Three groups of Y4 children took part in a hoola-hoop event. Each group learned new skills and there was a challenge to see whose hoop stayed up the longest, the winner managed 5! It was a really fun way to exercise.

### Red Nose Day

This year we raised the fantastic sum of £700 for this very worthy cause. Thank you for all your donations.

### Nursery Pet Mania Trip

The children went on a guided tour, finding out about different animals, they learned about their habitats and what they eat. Some of the children were very brave and stroked some of the animals, including a snake, rat, guinea pig, goat and a very, very large sheep!

### Y3 First Aid Training

A lady from The St Johns Ambulance came into school to teach all the children some first aid. They practiced on each other and learned how to put people into the recovery position, how to keep airways open and how to bandage a wound. They learned lots of very useful things to do to help people in a emergency.

### Y5 Trip to Dorman Museum

The children learned a lot on their visit, a lady told them all about the mummification process and how to write their name in hieroglyphics. They saw some very interesting artefacts and even got to dress up as Egyptians. The children learned about Tutankhamen and had a very interesting day.

### Y1 Trip to the James Herriot Museum

The children visited the James Herriot Museum as part of their history and science lessons. They got to see lots of ways vets help look after all the animals. They also got to see the film set of the programme All Creatures Great and Small series. The children had a very lovely trip and learned so much about the life of a vet and had lots of fun.

### Easter Holiday

We break up at 3.15pm on Friday 7th April and return on Monday 24th April 2017.

By: Jessica, Todd, Jena, Raheem, Toni and Charlotte from Y5
