Arts Week

There were many topics in Arts Week including: the Rainforest, the Great Fire of London, Picasso and Van Gogh. It was fun but also very messy - however that's what Arts Week is all about! Everyone enjoyed creating wonderful pieces of artwork.

Y1 - Trip to Saltburn

Y1 went by train to Saltburn. They walked along the pier but it was very windy so they only got half way. They then went on the beach and built some sandcastles and played on the sand. After all that, they went on the cliff lift and when they arrived at the top they had a choc ice to cool them down. It was a long day full of fun!

Y2 - Trip to Saltholme

As part of their science topic about habitats, Y2 went to Saltholme. They learned about different animal habitats and a guide told them what creatures they might find. They observed bugs and went pond dipping. It was a wet day but they still had a great time!

Dear Parents and Carers,
 Thank you for your support.
 Have a lovely Summer holiday.
 Harewood Primary School Staff

Y3 - Trip to Naval Museum

Y3 enjoyed their trip to the Naval Museum. They wore some old fashioned clothes and tried out a hammock. They also explored a ship, including the Captain's bedroom!

Nursery - Trip to Preston Park

Nursery went on a trip to Preston Park. While they were there they went to the café, saw some rowing boats on the river and even managed to spot some ducks and swans. They had a lovely time, even though it rained a lot!

Y6 - Trip to Flamingo Land

Two groups of Y6 children went to Flamingo Land for their leavers trip. They went on many different rides that were fast and slow. Some of the children watched the sea lion show and some looked at the other animals. They had a lovely day spending time with their friends.

Summer Holiday
 We break up at 3.15pm on
 Friday 21st July and return on
 Wednesday 6th September 2017

By: Jessica, Todd, Jena, Raheem,
 Toni and Charlotte from Y5

Reception - Gruffalo Trip

The children hunted for clues on this Gruffalo trip. They used: a spinner, a magnifying glass and binoculars, which led them to a mouse, an owl, a snake and eventually the Gruffalo! They saw wooden carvings of animals and had a snack and juice.

Y4 - Mediterranean Banquet

As Y4 were learning about Mediterranean countries and what food they eat, they were given the opportunity to try foods from 3 of these countries: France, Spain and Italy. The food they tried included: sundried tomatoes, olives, croissants, baguettes and salami. They loved trying different food, however some of it they didn't like the taste of!

Sports Day

On Thursday 13th July, Y2-Y6 had their Sports Day while Reception and Y1 had theirs at school. The races were running, space hopping and egg and spoon. The children in the top 3 were given a certificate or medal and had their photo taken together. They all worked very hard and were incredibly tired by the end of it! Everyone had lots of fun doing sport together!
