

The activities below have been chosen to link with this half term's topics. Please discuss them together with your child and complete at least one that you are both interested in.

This homework task is intended to be completed by your child working alongside parents and carers.

We hope you enjoy the activities.

## Y3 Homework

### Summer 2nd Half Term

Please return the completed task and the rest of the homework pack on week beginning 8th of July.

There will be a display of the completed tasks in the hall on Wednesday the 10th of July for parents to come and

#### DT Bag

Design and make your own bag.

Think about the **function** of your bag, the **material** you will use and the **design** to be put on it. How will you **fix** your bag together and how **big** will it be?

**Draw and label** your design and **evaluate** your finished product afterwards. Remember to reflect on how well your bag functions and if it could be improved.

#### My Design

#### Science—

##### Light and Shadows

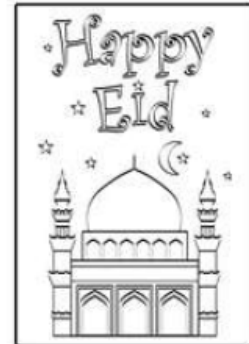

Create a fact file all about our science topic Light and Shadows. You can include information about:

- Natural and Man-made sources of light.
- The formation of Shadows.
- Translucent, transparent and opaque materials.
- Earth, moon and sun movements.
- How light travels.

Remember to include scientific diagrams and factual vocabulary. You might even make a model of the position of the sun making a shadow.

#### Eid Card

Create your own Eid card to celebrate this special event. Use different materials to create various textures. You could even use glitter and gems to decorate too.
