

Reception Trip to Hardwick Park
A Reception class were chosen to go on a trip to Hardwick Park as part of their topic, growing. They went round the forest doing a minibeast hunt, then sorted minibeast pictures into categories. They also made butterflies using natural materials. The children also enjoyed finding food to feed the hungry caterpillar.

Y2 Trip to Pizza Express
12 Year 2 children went to Pizza Express as part of their science topic, food. They were shown how the coffee machine works and made their own coffee. The children also made pizza and ate it when they got back to school. They also stepped in the freezer cupboard to see how cold it is! They loved making their own pizzas, and tasting them!

Choir
Our choir went on a trip to Saltburn Music Festival. They entered two competitions and sang two songs per competition. The first set of songs they sang were their own choice, they sang I Wish I Knew How It Feels To Be Free and The Rose. In the second set of songs they had to sing hymns so they sang Marching In The Light Of God and Amazing Grace. They won both competitions. Well done choir!

Dear Parents and Carers,
Thank you for your support.
We hope you have a lovely Summer holiday.

Harewood Primary School Staff

Table Tennis Finals

3 Y6's and 1 Y5 girl participated in the Tees Valley County Finals at The King's Centre. Every school played each other in a best of 3 match. Our team won the competition - well done girls!

Sports Day

Year 2, 3, 4 and 5 participated in Sports Day. There was an egg and spoon race, sprinting race, skipping race, a bounce hopper race and finally an obstacle course race. There were lots of certificates handed out at the end. The children had lots of fun joining in with the different races.

Athletics

A Y5 and Y6 child went to the athletics tournament finals. The Y6 child came 2nd in the chest push so received a silver medal. The Y5 child came back with 2nd place in the howler and relay - well done you two!

Summer Holiday

We break up at 3:15pm on Friday 19th July and return on Thursday 5th September 2019

By: Alex, Lydia, Kiera, Corey, Lexie and Cheng from Y5

Y1 Science Day

Year 1 had a science day where they did lots of activities such as, putting Skittles in a circle on a plate and dropping water onto it to make a cool, colourful pattern and they also cut a hole into a cup and put string in to it to make a telephone. The children really enjoyed doing the science experiments with their class.

Y4 Trip to Transporter Bridge

A group of Year 4 children were chosen to go to the Transporter Bridge for their topic work about pulley systems. They went up and across the bridge on the glass gondola and went to the place where people bungee jump. They also learnt about the history of the bridge and Teesside and saw a sculpture made by the artist Mackenzie Thorpe.

Y6 Leavers Performance

Harewood's Greatest Show went really well. There were gymnastics, hula-hoopers, a magician, clowns, plate spinners, a guitarist, singers and more! The children and staff put a lot of effort into this performance, and the props and costumes were great. Good luck to all the Year 6 children going to Secondary School, you will be missed by all of us here at Harewood.
