

Here are some instructions for you to get your child from Year 1 and Year 2 onto their DB Primary account:

Open the web page: www.harewood.stockton.dbprimary.com

It should look like this:

The page should now look like this, your child's password is three animal pictures, click on them in the correct order and they will move to the box on the right as stars. Click on the green tick and you will be on your child's DB account.
