Dear Parent/carer,

We understand the challenge of choosing the perfect secondary school for your child. Normally, to support you with this, we welcome over 2000 people into our school to share all the things we are proud of at Acklam Grange School. We are devastated, as I am sure you are, that this year we cannot invite you and your child to our annual Acklam Grange Open Evening to experience the fantastic teaching and learning and pastoral care that we provide to our AGS Family.

In the absence of our traditional Open Evening, we would like to invite you to our **Virtual Open Evening** which we hope you will find informative and will still allow you to gain first-hand knowledge of Acklam Grange School. Our Virtual Open Evening will be launched on **Monday 28th September 2020** and we would love it if you could join us via this link to our website.

We have created a dedicated webpage where you will be able to access a range of information including a Headteacher talk and a video of the school that will give you a real flavour of what we can offer your child. The Virtual Open Evening information will remain on our website until the closing date for secondary school applications. This means you can re visit it as many times as you like to ensure that you have all of the information you need to make the correct decision for your child.

If, after accessing the Open Evening information, you have any questions or would like any more information about Acklam Grange School then please contact us in the first instance on Y6parent@acklamgrangeschool.org.uk or contact the school on 01642 277700. Any questions regarding the admission procedure must however be directed to the Local Authority.

Can I take this opportunity to thank you for taking the time to consider Acklam Grange School for your child and we hope to see them next September, but if you do decide we are not the school for you, we wish your family good luck in the future.

Yours sincerely

Mr M Laidler
