### **PE and Sports Premium Grant Strategy Academic Year 2023-24**

Amount of Sports Grant Funding received in 2022-23 was £11,287 (September 2022– March 2023). Anticipate £8099.58 for March 2023 – September 2023

#### **How PE and Sport Premium Grant will be spent**

This funding is used to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport.

The premium is used to:

- develop or add to the PE, physical activity and sport activities offered
- build capacity and capability within school to ensure that improvements made now will benefit pupils joining the school in future years

The premium is used to secure improvements in the following indicators:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
  - the profile of PE and sport is raised across the school as a tool for whole-school improvement
    - increased confidence, knowledge and skills of all staff in teaching PE and sport
    - broader experience of a range of sports and activities offered to all pupils
      - increased participation in competitive sport

Rationale behind the use of the funding in our school community

- Children who don't meet their physical developmental milestones
- Families with a limited income restricting capacity to join clubs, provide equipment or attend sporting events
  - Significant obesity levels
- Significant number of families have limited places to play; street housing with no gardens

## Swimming Data

Please report on your Swimming Data below. To be completed Summer 2024.

Meeting national curriculum requirements for swimming and water safety.  N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. <b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023. Please see note above	%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	%
<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/No
